## Future Planning – Three Parishes Partnering

From our PP

I have promised to keep you aware of planning for our future as partnered parishes. Discussions are happening – no decisions have been made. We are seeking to consult broadly via this survey, or your thoughts via email to your parish office, or discussion with myself or any of the PPC members and we plan to have all three parishes gather to discuss further on June 11th at 6 pm at the Clifton Centre (St Clements Bulleen).

Current Mass times have been in place for decades (mostly). But we have three Masses at 5:30/6.00 pm and three Masses at 9:00/9:15 am. Three Masses / two priests: impossible!

We are looking to put temporary arrangements in place for a period of 3 months. After this, further changes may need to be made if this schedule proves impractical.

So now we are seeking your input for this interim period arrangement. We ask that you complete the survey to register your say by clicking the link below.
